Geelong Rugby Union Football Club – Message from the President

Dear Friends,

In response to the COVID-19 pandemic, this afternoon, Rugby Australia, and its member Unions, took the unprecedented step of postponing ALL community rugby until the 1st week of May, effective immediately. In line with this action and following consultation with Rugby VIC this afternoon, we are suspending ALL Senior and Junior training and face-to-face activities at the Club. All training and planned activities at the Club, including the First Aid training that was being considered at the end of the month, is CANCELLED until further notice. The U16 trial match that was being planned for 28 March is CANCELLED. Activity around dispensations is postponed.

Rugby VIC will be preparing additional information for Clubs in the next 48hrs, but in the interim, we are going to close registrations, as it may be some time before we know what the remainder of the season is going to look like. We are all being called upon to be responsible citizens and to cooperate with directions from the authorities. Assuming you are well, we'd encourage you to remain healthy and keep fit, but for the time being, you'll need to do this independently. As more information regarding the season comes to light, we'll share it accordingly.

Best wishes,

Richard Haugh

President, Geelong Rugby Club
